Knights of Columbus

Kevin Miller, State Deputy

Brother Knights of Ohio,

Thank you to all the Knights of Columbus Councils and Assemblies who made the 2019 Measure Up Campaign such an incredible success!

Over \$330,219 was raised to support the agencies, programs, and schools throughout Ohio which provide service to our citizens of Ohio with developmental disabilities. Once again we have demonstrated our unending love and support of our own Knights of Columbus “flagship” charity. With this you exemplify the true spirit of “Columbianism”!

This report will detail the success of the 2019 campaign. We had 182 councils participate in the campaign and their contributions will benefit over 350 agencies. Of course the true success of this annual campaign will be measured by the service and training that our “special population” will receive in the years to come!

I would like to congratulate those councils who “Thought Differently” to achieve a significant increase in their donation this year. Your dedication, effort, enthusiasm, and creativity have been an example for all.

On behalf of all the citizens in Ohio with developmental disabilities, I thank you for your generosity and dedication to this program. God Bless.

Fraternally,

Michael J Felerski

State Advocate
