Brother Knights of Ohio,

Thank you to all the Knights of Columbus Councils and Assemblies who made the Measure Up Campaign such an incredible success!

Over \$168,180 was raised to support the agencies, programs, and schools throughout Ohio which provide service to our citizens of Ohio with developmental disabilities. Once again we have demonstrated our unending love and support of our own Knights of Columbus “flagship” charity. With this you exemplify the true spirit of “Columbianism”!

This report will detail the success of the 2020 campaign. We had 133 councils participate in the campaign and their contributions will benefit over 166 agencies. Of course the true success of this annual campaign will be measured by the service and training that our “special population” will receive in the years to come!

I would like to congratulate those councils who “Thought Differently” to participate during the COVID-19 pandemic this year. Your dedication, effort, enthusiasm, and creativity have been an example for all.

On behalf of all the citizens in Ohio with developmental disabilities. I thank you for your generosity and dedication to this program. God Bless.

Fraternally,

James K. Maslach  
State Warden  
2020 Measure Up Chairman
