

MAILING CHECKS

Throughout the fraternal year, all council leaders may need to write checks to the Ohio State Council for programs and activities in which they participate.

Often when a check needs to be written, the first questions asked are the following: “To whom do we write the check?” or “To whom do we mail the check?”

The following list will hopefully assist council leaders regarding these situations more accurately.

Most, if not all, addresses and phone numbers are listed in the current State Directory.
