Dear Knights,

As Brother Knights and servants of our Lord, we have been chosen to serve His people. Brothers, you have answered that call! We continue to value every human being in the State of Ohio with your continued support of the Measure Up program. Through this program, funds are collected and distributed to agencies, and schools throughout Ohio, which provide services to our citizens with developmental disabilities, and continue to give them the support they so greatly need. All thanks to your generosity and commitment.

In 2024, our “flagship” charity raised \$306,534.24. Of this, roughly \$70,000 was donated to the Special Olympics in Ohio. A total of 246 grants were awarded and over 150 organizations were supported.

Council participation rose by 34 this past year, from 144 to 178. Hopefully next year we can get over 200 councils participating like the rest of the programs here in the State of Ohio.

Thank you to the contributing councils for their relentless efforts this past year. A special recognition to our top council this year, 11550, St. Joseph of the Three Rivers. They raised an unbelievable \$12,000 was raised.

On behalf of our State Deputy, I would like to express our gratitude for all you do to serve those in need.

Fraternally,

A handwritten signature in black ink that reads 'Anthony Offenberger'.

Anthony Offenberger, State Warden

2024 Measure Up Chairman
