Welcome to the Ohio State Council's **Super Ca\$h Bonanza Charity Campaign** for 2025. Ticket sales during the campaign will mean an uplift of financial support for the charities that your council supports as well as those of our Ohio Charity Foundation. **Please remind your members where these charity dollars are used.**

For each \$5 ticket that your council sells, \$2.40 is automatically retained by your council to use for local charities.

If your council's sales exceed our special rebate structure, your council will receive additional funds returned from each \$5 sales; up to a possible \$4.50 per ticket sold! The prizes and rebate structure will be the same as last year.

This campaign book is a guide to a successful "**Super Ca\$h Bonanza**" campaign. Please review all the information; then organize and plan your council's mission. Set a goal to exceed your best year's ticket sales.

"**Partnering**" is an approach that has been very successful at many councils in previous years. Have other organizations or groups in your community sell tickets for your council and award them a portion of the \$2.40 per ticket for their charitable causes. This approach will enable your council to achieve additional rebates. Many of our winners over the years have purchased tickets through a "partnering" group. Partnering will help you complete your mission work!

I wish you much success in our 2025 Ca\$h Bonanza Campaign and in our quest to raise **\$1,000,000** in sales for charity—AGAIN!

Jim "Ca\$hman" Maslach  
2025 Super Ca\$h Bonanza Chairman, State Treasurer

## Super Ca\$h Bonanza Campaign Approach

The Grand Knight and the Super Ca\$h Bonanza Chairman are responsible for the Super Ca\$h Bonanza Raffle. The Chairman is expected to take care of the day-to-day scheduling of events and supervision of the campaign. The Chairman is responsible for tracking sales and collections. Several approaches to this very important fundraiser have been proven successful for many year.

**Mail Campaign:** A letter from the Grand Knight and the Super Ca\$h Bonanza Chairman accompanies up to 10 tickets sent to each member. Details of the mission are provided so that the member knows the particulars of how to sell and where and when to turn in suggested slogan for a mail campaign.

**Personal Delivery:** In this case, a ticket distribution is controlled by Team Captains. Depending on the size of your council's membership, Captains may be assigned workers who actually deliver tickets to each member. In small councils, Team Captains may also make deliveries. Captains are responsible for checking on deliveries, on members receiving tickets to ensure sales, and picking up of sold or delivered as directed.

**Partnering:** If your council needs a boost in sales, consider partnering with local organizations or church groups to sell tickets through their contacts. Consider partnering with more than one organization. Provide them with a portion of the \$2.40 instant rebate for all tickets sold by their members. Your council will benefit from the additional sales and potentially achieve high rebate incentives.

**Follow-Up:** Whether your councils uses a mail campaign or personal delivery, there must be frequent and organized follow-ups by mail, phone, email, and council newsletter to make sure the tickets are being sold and not sitting idle. Tickets and money must be collected, counted, sorted, and mailed to the State Treasurer before deadlines of the first and final phases of the campaign.

<p><b>Super Sellers 7 Rebate</b> The <b>Super Sellers 7 Rebate</b> will be given to councils that sell <b>seven (7) or more tickets per member during the entire campaign</b>. An extra <b>40 cents per ticket will be paid for each ticket sold</b> providing the requirements of the First Phase are met. Attendance at the February Ticket Distribution Meeting is required to receive this rebate.</p>	<p><b>\$0.40 / Ticket Sold</b></p>
<p><b>Super Sellers 10 Rebate</b> The <b>Super Sellers 10 Rebate</b> will be given to councils that sell <b>ten (10) or more tickets per member during the entire campaign</b>. An extra <b>40 cents per ticket will be paid for each ticket sold</b> providing the requirements of the First Phase are met. Attendance at the February Ticket Distribution Meeting is required to receive this rebate.</p>	<p><b>\$0.40 / Ticket Sold</b></p>

## Official Winners List

An official winners list will be emailed to the Grand Knights, Financial Secretaries, District Deputies, and State Staff by Sunday, May 18, 2025. Lists will not be mailed to councils via USPS. Councils are permitted to reproduce the winners list. A copy of the winners list will be posted on the Ohio State Council's website at [www.kofcoho.org](http://www.kofcoho.org) and on the Ohio State Council's Facebook page.

## The Seven Steps for a "Ca\$h Bonanza" Success!

- Organize:** Plan your ticket distribution to your members, by mail or personal delivery.
- Attend Ticket Distribution Meeting:** If two (2) members of your council picked up the campaign books, shipping forms, and tickets at your scheduled diocesan meeting, you have already achieved a potential rebate incentive.
- Council Ticket Distribution:** Get the tickets to your council members and encourage them to help fund your local charities. Mailing tickets to all members gets everyone involved. **Let them know how the charity funds are spent.** Provide an "Organizations Supported" list!
- Advertise "Super Ca\$h for Charity":** Use your council's newsletter, website, social media, local church bulletins, pulpit announcements, and community newspapers. Continue to remind council members to sell their tickets. Again, remind them how your council uses these charitable funds.
- First Phase Turn-In:** Verify all first phase tickets sold, complete the shipping form, and remit **ONE (1) check** to the **Ohio State Council, Knights of Columbus**. Send the tickets, form, and check to the **State Treasurer** by **April 1, 2025**. the check should be equal to **\$2.60** for each of the tickets sold and turned-in.
- Partnering:** Increase your council's sales and rebates by partnering with local organizations or church groups to sell tickets through their contacts. Provide them with a portion of the \$2.40 instant rebate for all tickets sold by their members.
- Second Phase Turn-in:** Verify all second phase tickets sold, complete the shipping form, and remit **ONE (1) check** to the **Ohio State Council, Knights of Columbus**. Send the tickets, form, and check to the **State Treasurer** by **May 12, 2025**. the check should be equal to \$2.60 for each of the tickets sold and turned-in.

## Quotas for Rebates

The quotas are established for each council on the basis of its total membership as of May 1, 2024 furnished to the Ohio State Council by Supreme Council on its Membership Status Summary Report.

**These quotas reflect total membership which includes Inactive Insurance members. District and council quotas will be furnished at the February Diocesan Distribution Meeting.**

**The membership figures shall be deemed correct and acceptable unless an application for adjustment is made in writing to the State Treasurer prior to March 1, 2025.** Application for adjustment must state an adequate basis, such as factual error in the report. The suspension, death, or transfer of one (1) or more members, since the date of the report, will not be considered as adequate reason.

**Shipments for the First Phase Turn-In must be received by the State Treasurer by April 1, 2025.**

## Second Phase Information

Councils should arrange to have their Second/Final Phase tickets shipped to the State Treasurer soon enough so that they will arrive on or before **Monday, May 12, 2025**. This will ensure their inclusion in the final drawing to be held on Saturday, May 17, 2025, after Mass at the 2025 Ohio State Convention.

**Shipments containing checks for the Second/Final Phase Turn-In must be received by the State Treasurer on or before Monday, May 12, 2025.**

**Don't Risk Being Late; Ship On Time!**

**NOTE:** This "Final Turn-In" date is critical considering shipping time, validation, and handling necessary before the Saturday, May 17th drawing, after Mass at 9:30AM during the 2025 Ohio State Convention.

## Campaign Rules for "Ca\$h Bonanza"

**Council's Basic Share of Ticket Sales:** Of the **\$5.00** value per ticket, the council will retain **\$2.40** as its basic share, remitting **\$2.60** per ticket when making a first and second phase ticket shipment to the State Treasurer.

**Sales Outside the State of Ohio:** It is, of course, permissible for our members to sell tickets outside of Ohio as long as every ticket sold brings the full donation of \$5.00. There

are no rebates or refunds to others outside Ohio. It is strictly illegal and violates the rules of the Order for councils to make deals with any organization outside the State of Ohio. The Supreme Knight has ruled that if our Ohio tickets are found in other states on deals, steps will be taken to halt the Ohio Charity Campaign. This would be a disaster for charity programs, your council, and every council in Ohio. Therefore, you are requested to strictly observe this rule.

**Caution:** Each council must individually turn in tickets sold. It is not permitted for councils to combine sales in order to realize higher rebates.

**Which Councils May Not Participate:** No council under suspension by the Supreme Council or failure to pay Ohio State Council Per Capita will be permitted to take part in the Ohio Charity Campaign.

**Important Information Regarding the United States Mail:** The United States Mail, UPS, or other private mail carriers may be used to ship tickets to the State Treasurer or to members of your council. The U.S. Postal regulations allow for mailing of Charity Raffle Tickets provided that all net profits are used for charitable purposes. Tickets are to be mailed with First Class postage. Use of the U.S. Mail to ship charity tickets may require proof to the Postal Service that all profits from the Charity Campaign have, in fact, gone to charity, the first principle of our Order.
